

Welcome to Castle Magica!

Today is a very special day for the Lissy Ponies: It's their first day of school at Castle Magica! Everyone is very excited and curious about what will happen. After all, they will be learning the secrets of magic at their new school. No reason to be afraid, is there?

Wow! What a great castle! I never thought it would be so big...

Hello you two. You're new here too, right? I am excited to get to know you!

I am soo excited to see the inside of the castle!

Tamani
She comes from the distant realm of unicorns and carries a special magic within her.

Raja
Tamani's friend knows the unicorn best. The princess also loves learning new things.

Jasina
The helpful heart pony recognizes immediately how someone is feeling. Just watch out!

Sari
A little cheeky and rebellious, the star pony bravely takes on all the tasks at Castle Magica.

Lunas
With his very relaxed nature, the moon pony makes friends quickly and everywhere.

Shortly afterwards in the entrance hall of Castle Magica ...

Unique talents?

Welcome to the castle! I am Mr. Paint-Brush, your art teacher at Castle Magica. From now on, you will learn to discover and master your unique talents at your new school!

I didn't even know I had one ...

Oh yes? How strong are you at magic, Lunas?!

I did! Because I'm superPONYstrong!

Don't worry, dear ponies. You still have plenty of time to learn all about yourselves, your dreams and your magic!

Suddenly the ponies realize that one of them is already unique.

Um ... I don't know?!

Hey, you've got a horn! Can it do magic?!

Meanwhile, Mr. Paint-Brush urges to set off.

Great!

Come on, ponies. Follow me! We're going on a tour of the whole school!

Huiiii ... I can hardly wait to see the classrooms!

I feel the same!

A little later.

Here in the art room you can let your imagination run wild!

Wow! Those are FLYING brushes!

Hihi, they not only fly, but also tickle.

Oh, these brushes can do so much more! They can paint your thoughts. You will soon get to know their magic ...

Wow, that's fantastic! Am I dreaming?

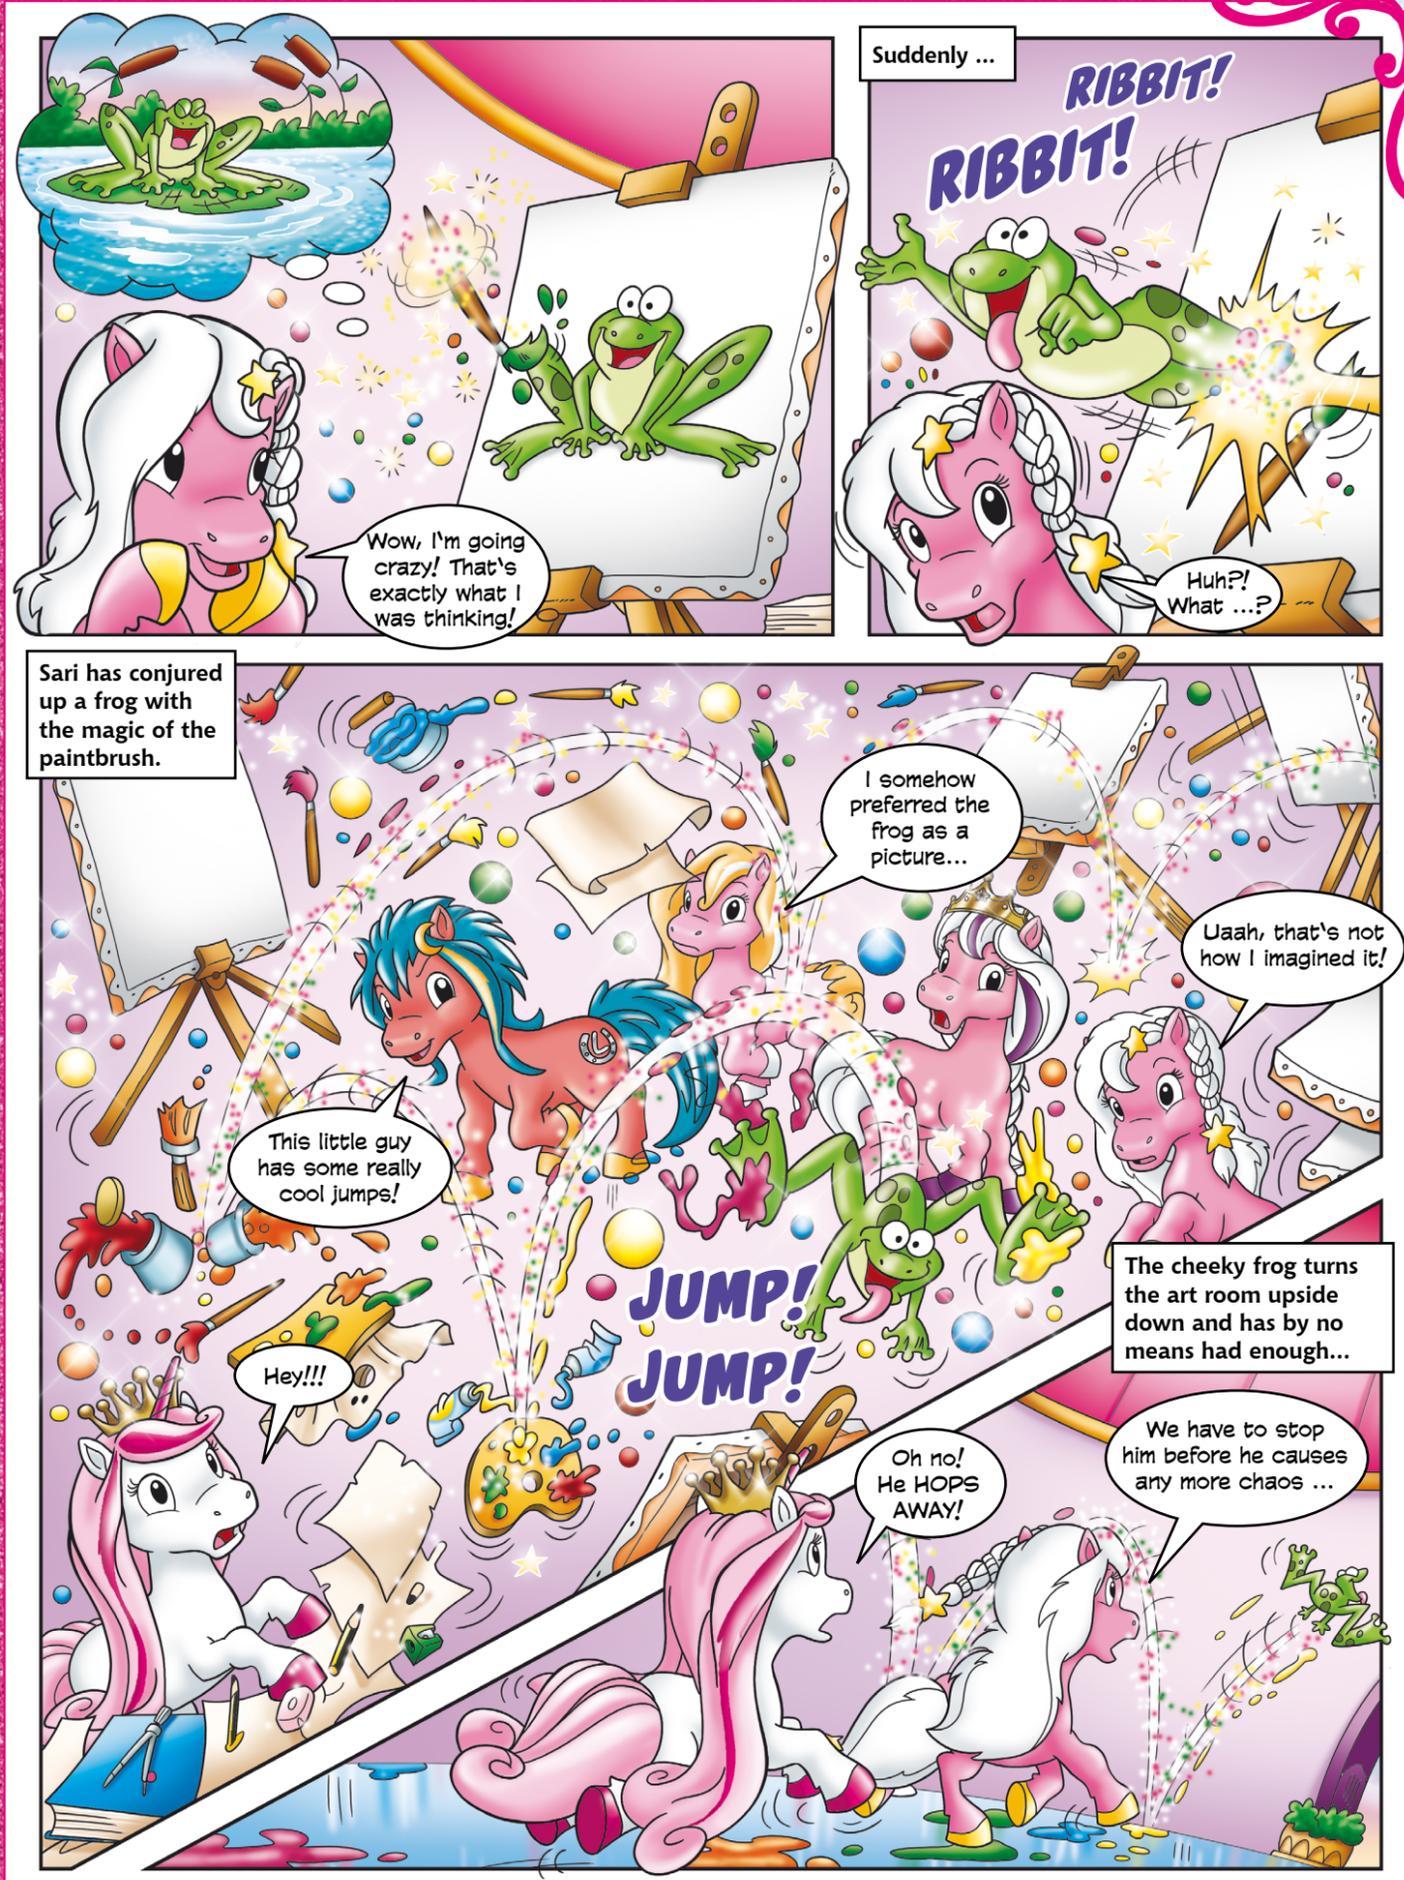

No time to dream, little pony. Let's move on! Follow me and please don't touch anything.

But ...

Hey, what are you doing?!

Hehe!

!?

Suddenly ...

**RIBBIT!
RIBBIT!**

Wow, I'm going crazy! That's exactly what I was thinking!

Huh?! What ...?

Sari has conjured up a frog with the magic of the paintbrush.

I somehow preferred the frog as a picture...

Uaah, that's not how I imagined it!

This little guy has some really cool jumps!

**JUMP!
JUMP!**

The cheeky frog turns the art room upside down and has by no means had enough...

Hey!!!

Oh no! He HOPS AWAY!

We have to stop him before he causes any more chaos ...

Shortly afterwards.

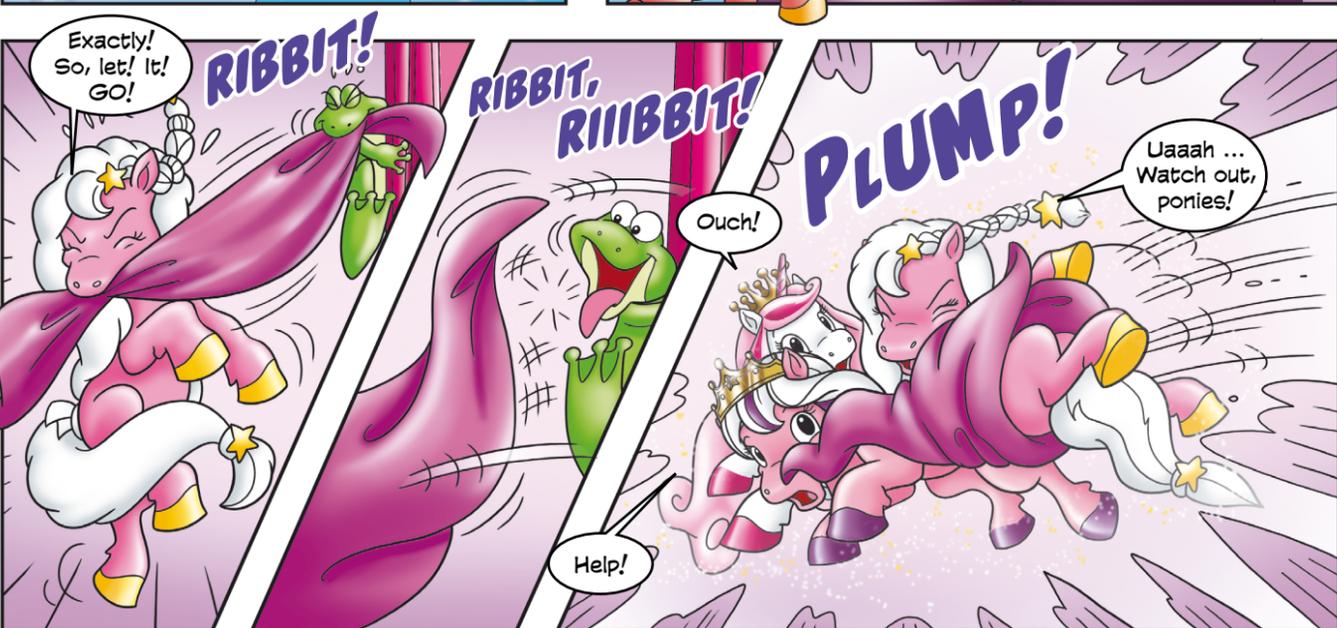

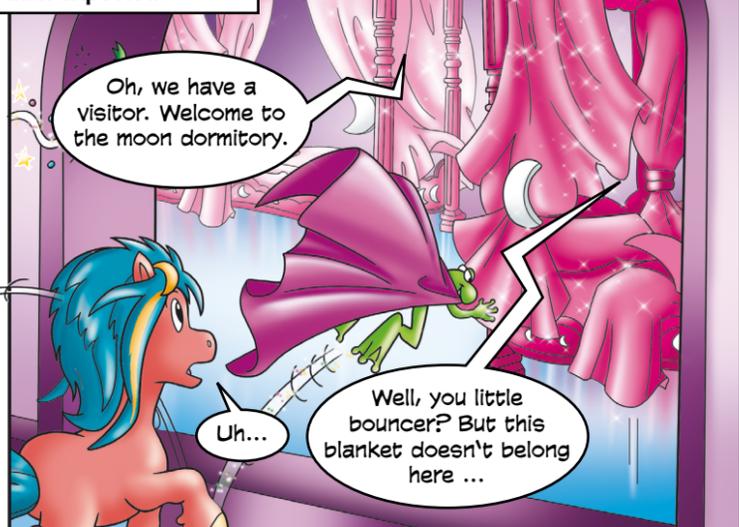

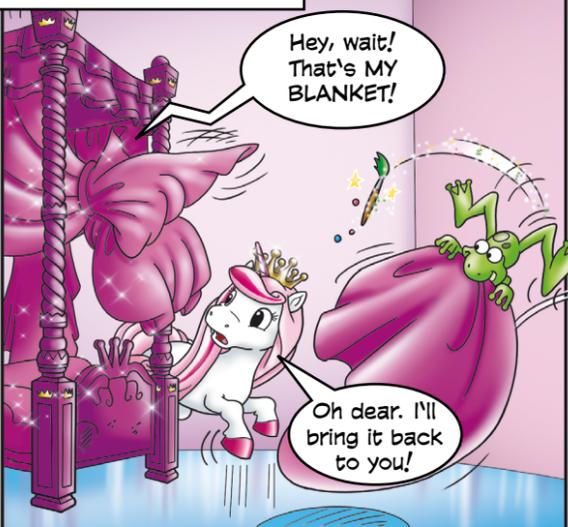

Dear Tamani, dear Raja, this is your home at Castle Magica!

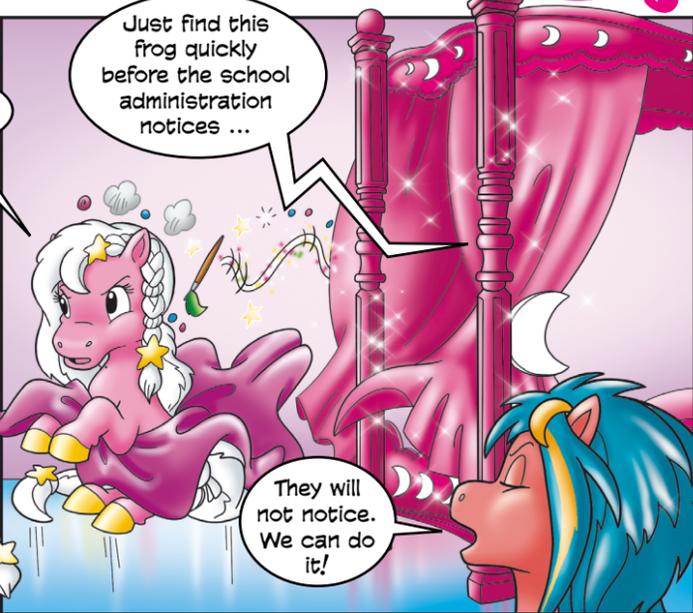

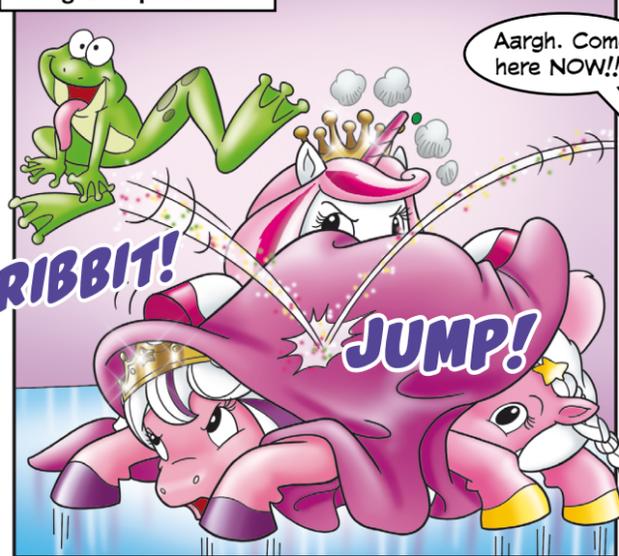

Meanwhile, the frog continues to cause trouble.

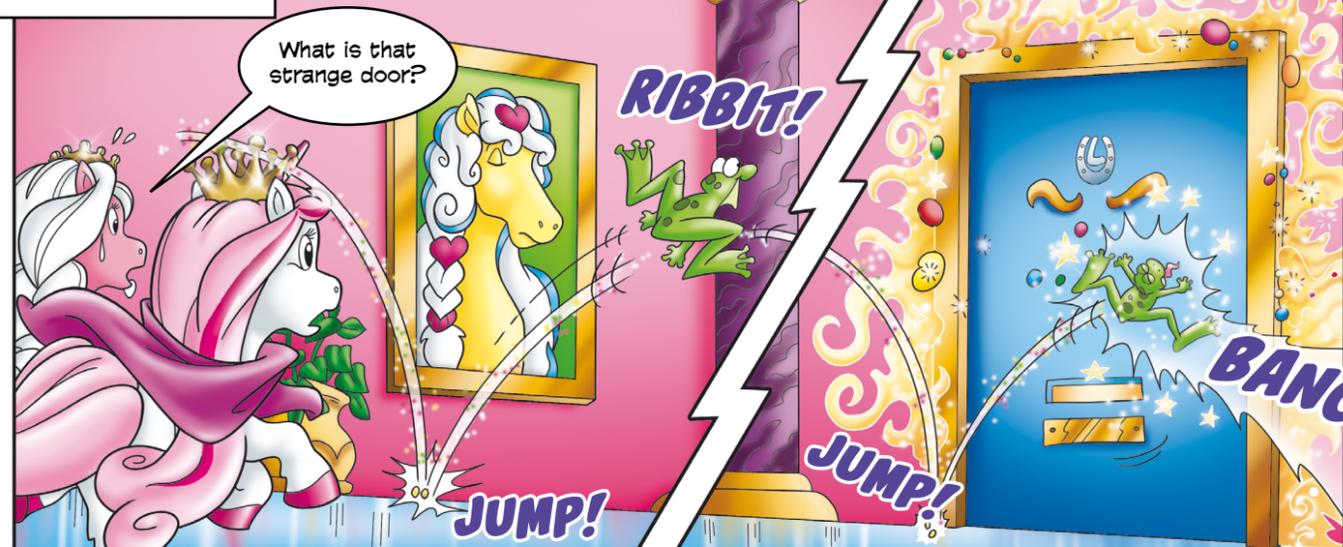

But the frog is quicker than expected!

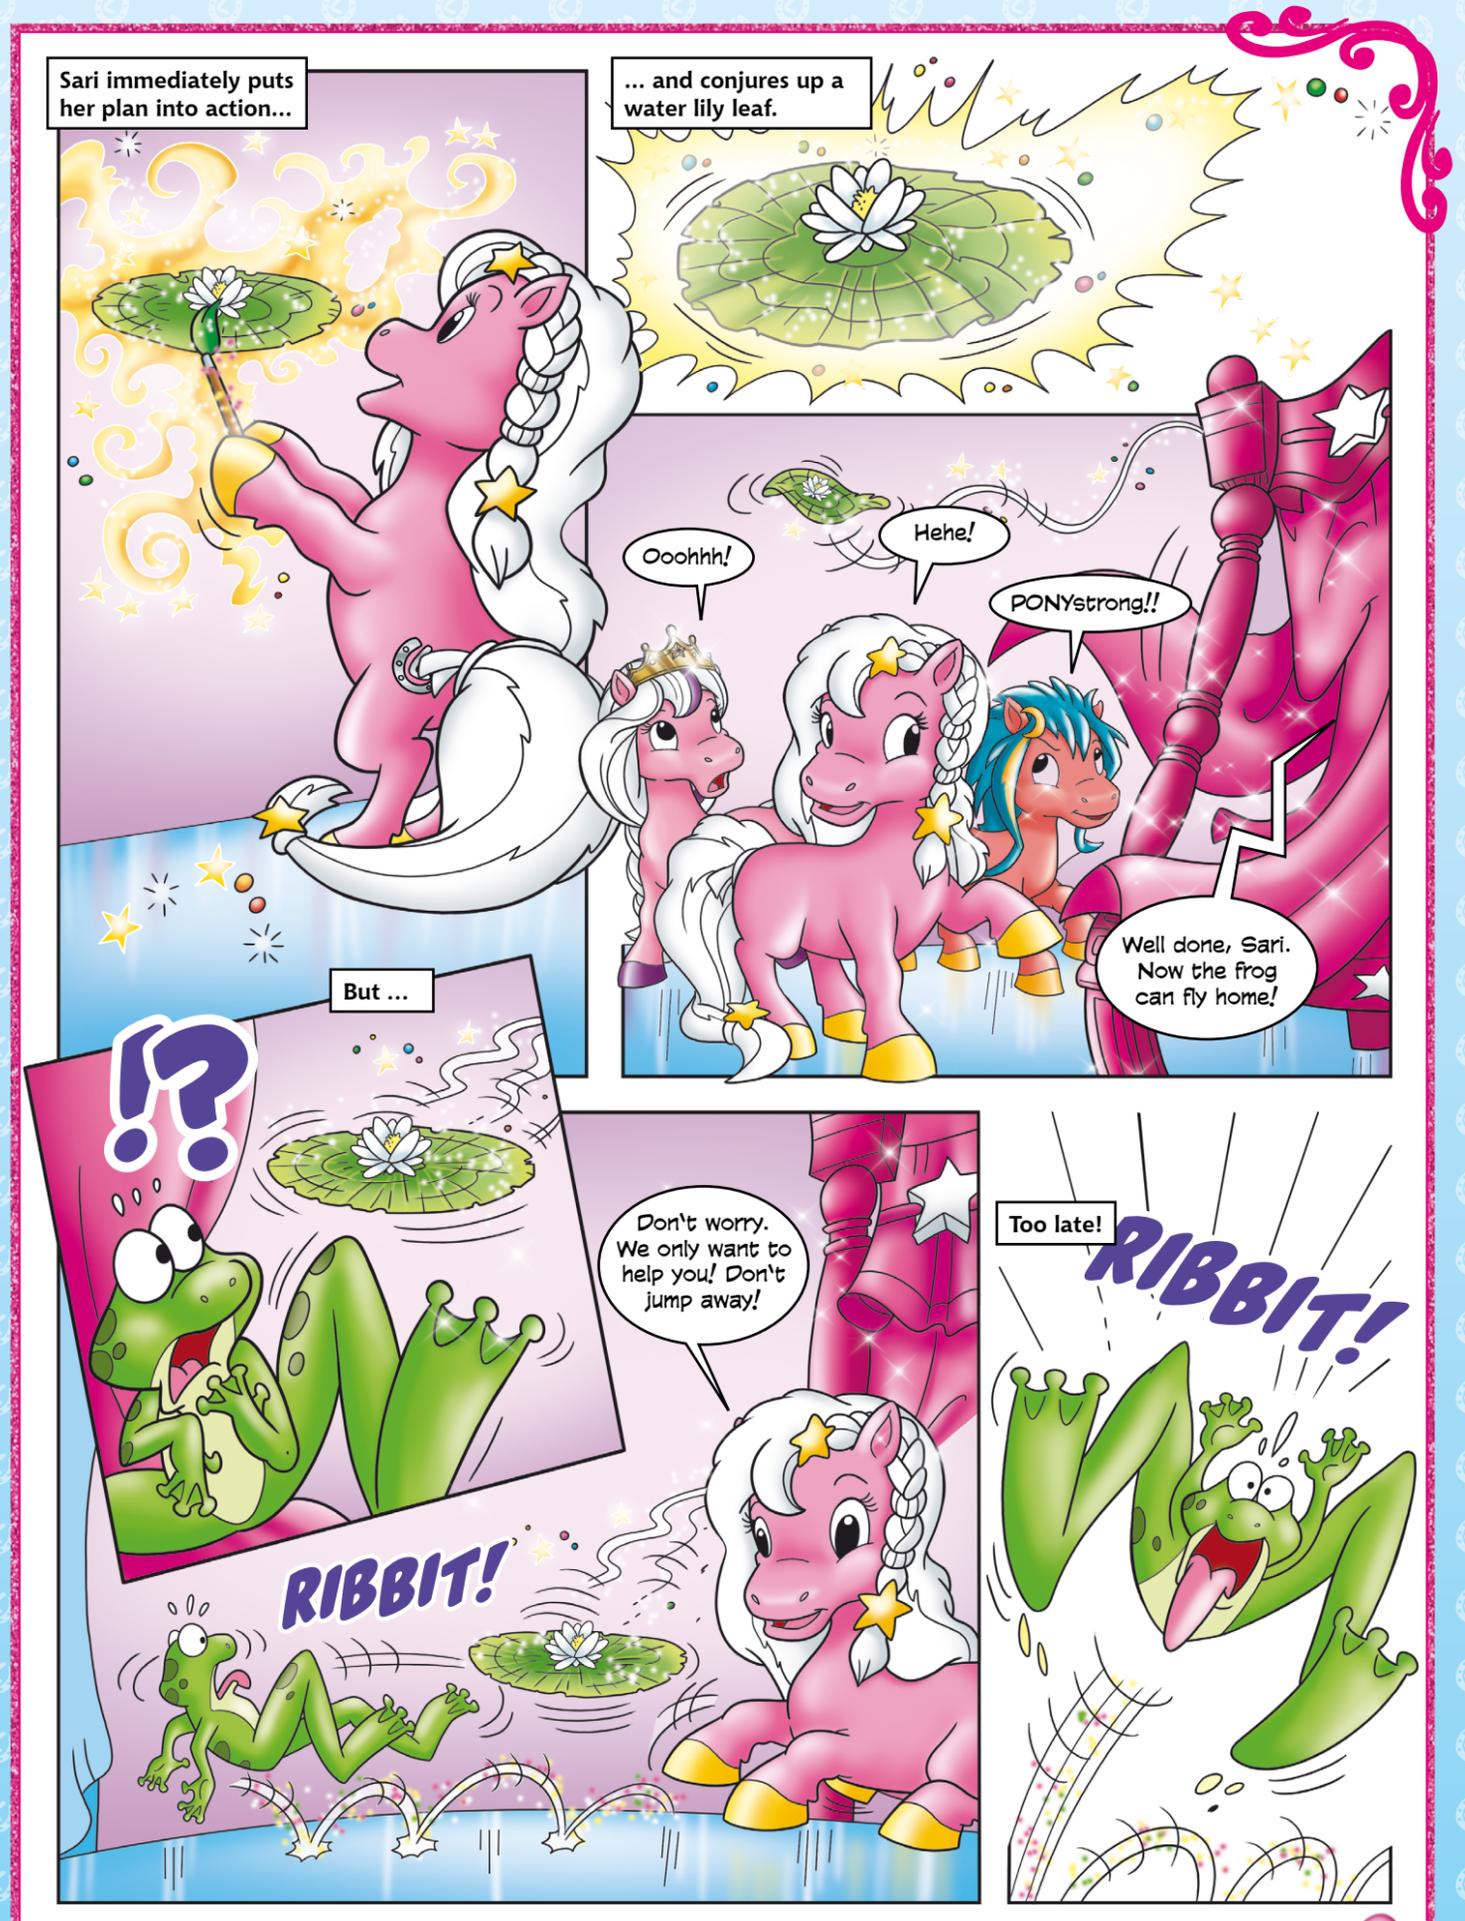

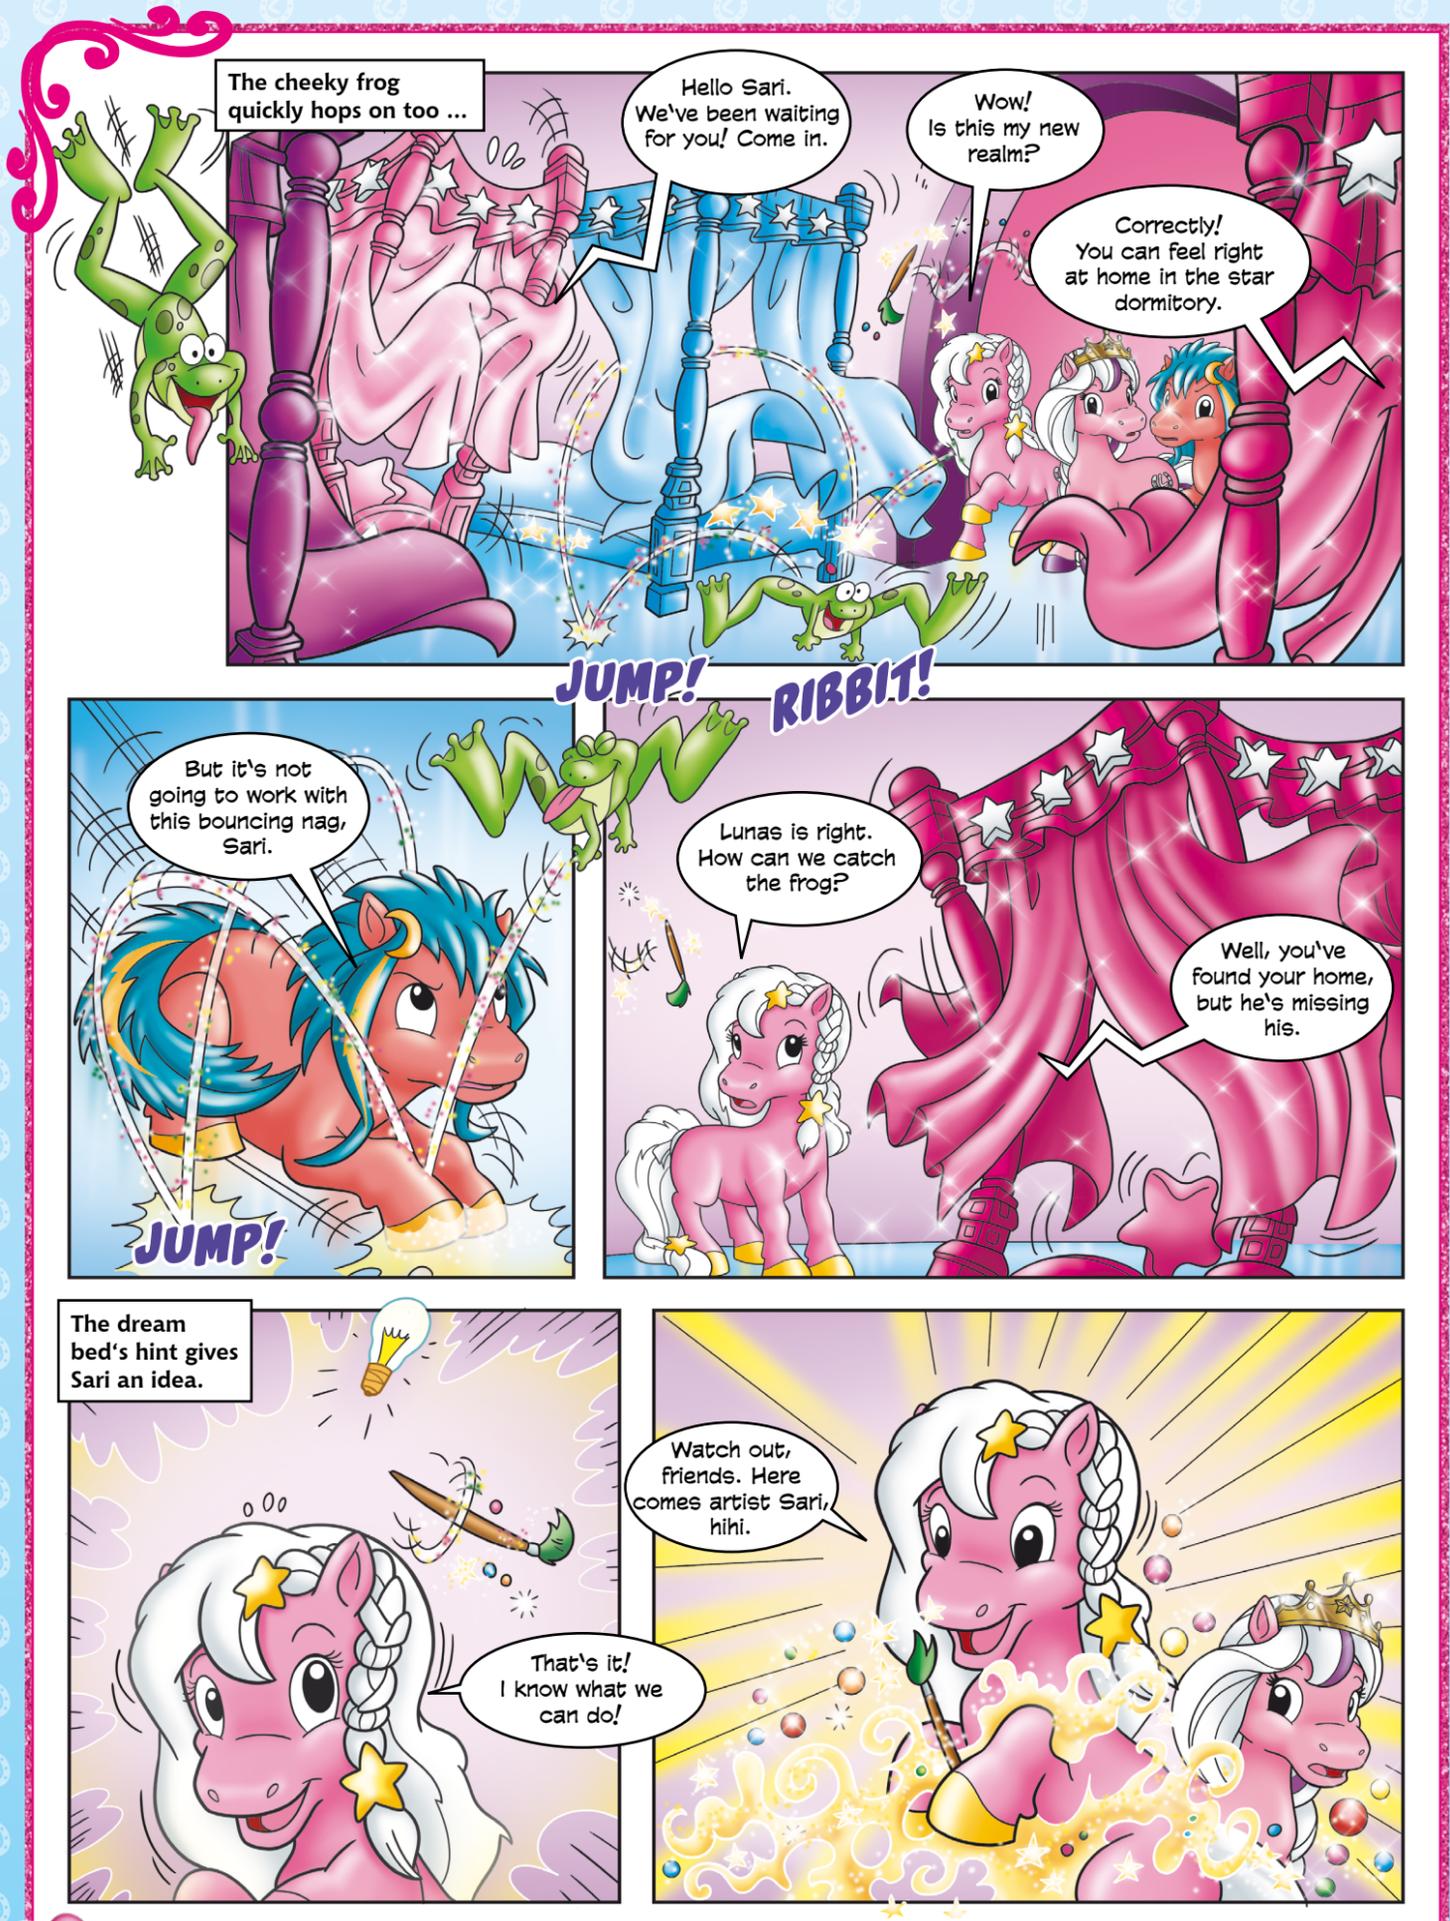

The ponies are slowly losing their patience ...

The chase continues ...

Full of panic, the frog jumps on.

Welcome to the heart dormitory, Jasina!

Am I a HEART PONY?

Yes, dear! And you also have a special gift: you always know how someone is feeling. But only if you listen to your heart!

JUMP!

JUMP!

RIBBIT!

Now the heart pony realizes what's going on.

Oh, you're scared, aren't you?

Look! It seems like the frog is ready to go home.

BOING

The little frog gratefully confides in Jasina.

FLAP FLAP

But the lake in front of the school is way too far away. How does he get there?

Lunas gives everything!

Don't worry, girls! I have an idea!

BLOW! WOOSH

... Clean up!

And now quickly back to the art room, to ...

Yay! Fly little frog.

WOOSH

Oh nooooo!

A little later.

Suddenly, Mr. Paint-brush enters the artroom.

Almost there!

There you are! Are you bored or why are you tidying up? Never mind, it's time for bed!

Peace soon returns to Castle Magica ...

Thanks for returning my blanket, girls.

Sleep well, Sari, and dream something exciting.

Good night, dear Jasina. You were great today.

... only one is not yet asleep.

LUNAS! Don't be a frog and come to sleep.

JUMP!

JUMP!

JUMP! THE END
